

RACHEL STODDARD – CONSULTANT (OIL & GAS)

I am a Training Consultant currently working on 3 projects: developed and delivered software training course for a marine company as well as developing and delivering their bespoke Supervisory Management Course; Assessor for Level 3 Management and Leadership.

I have over 12 years experience in the field of Further Education and Human Resources, and my speciality lies in the ability to develop and deliver bespoke software, management and supervisory training.

My interests outside of work are My Family, Travelling, Food and Wine. I am a Captain of a Boys Brigade. Fundraising Challenges – completed the London Marathon, Swam the English Channel – am currently undertaking the 2012 Gold Challenge to raise money for Poppy Scotland.
